S+PLUS KIT(with J-805MX(S) tripod)

S+PLUS **NEW**

The S+PLUS Series Slider is a slider that use a unique tracking mechanism that allow the rails of the slider to move with the camera when mounted on a tripod, gives the slider range more than a unit its' long.

Its' compact size makes it ideal for travel, as it takes less room space in your camera bag than other slider with similar slider range.
